

OLTREPÒ PAVESE

BoscoLONGHINO

VITICOLTORI DAL 1895

## “Il Prugnolo”

*Pinot Grigio I.G.T. PV*

Obtained from 85% Pinot Grigio grapes and 15% Pinot Nero. The grapes grown near an area left uncultivated, where thorns and blackthorn grow, and candid spring blooms offering nectar to bees and pollinating insects. In summer, blackberries of the bramble and the autumn drupes of the blackthorn are a source of food for wildlife until late winter.
